FOR IMMEDIATE RELEASE

ROSEAIId Expands Presence into the Middle East, Bolstering Global Growth Strategy

Houston, TX, – June 5th, 2024- [ROSEAIId](#), a pioneering innovator in the healthcare technology industry, proudly announces its strategic expansion into the Middle East. This move reflects ROSEAIId's unwavering commitment to global growth, customer satisfaction and extending its platforms to underserved markets. Opening our Middle East regional facility marks a significant milestone in the company's business strategy to provide better outcomes to those areas with the greatest needs," said Russ Raff, Co-Founder of ROSEAIId.

"The decision to expand our Middle East presence was a logical step in our business growth strategy," stated Dr. Camille Beyrouthy, General Manager and Board Member of ROSEAIId, who will lead our UAE operations. "Plans include expansion of staffing, software engineering, professional services and support teams for local customers, in the GCC and beyond.

"We are thrilled about the possibilities that our expansion into the Middle East brings," Mrs. Salama Amer, (a ROSEAIId-ME, Board member) remarked. "With this move, we are well-positioned to leverage the region's talent pool, seek local partners and solidify our position as a leader in healthcare technology." Our local facility will be located at CI Tower, Al Bateen W10, Abu Dhabi, UAE.

About ROSEAIId: A leading innovator in the healthcare technology industry dedicated to revolutionizing patient care through cutting-edge solutions and unparalleled services. ROSEAIId fulfills the specialized requirements of pathologists through the integration of advanced data analytics, generative AI, streamlined workflows and diagnostics, providing real-time results that drive better outcomes.
